Bali is **blessed with traditional cultural** events that can only be seen on this small island. We provide you with the opportunity to see **the unique culture** that any visit to Bali should include. While many tours in Bali are similar, our tours will take you **off the beaten** path to allow you to witness many traditional ceremonies. These ceremonies will vary depending on the Balinese Hindu calendar; but can include **temple ceremonies, cremations, teeth filings**, and even the chance to attend a **Balinese wedding!** All of our tours also include visits to a **traditional market**, a Balinese school or some Coq's fighting or the [Fair Future Foundation](#) activities.

Our tours are **private charters**; just you and your family, partner and our very knowledgeable **English** speaking guide. On request, note also that we can arrange a **french** or **Italian** speaking guide only for you, with extra charge (55€ to 65€ per day depends of the guide)

A private charter gives you the flexibility to make alterations to your tour on the day.

You may choose to stay longer at one venue and make only a brief stop at the next, your tour...Your choice.

Thank you very much for your interest and your kindness.
